MAMC Purpose and Objectives

To promote the improvement of Public Cemeteries in Michigan, their management, operation, and perpetuation, the collection and dissemination of information and data of an educational nature and to develop and maintain the best possible relations between the cemeteries, the public, and the allied industries.

Notes: One membership fee covers everyone associated with your municipality/company.

Fill out one form for each person that would like to receive information about the MAMC.

If you are not involved with the Cemetery, could you pass this application on to who is? Thank You.
